Features and benefits

- 600+ bets a game – covering NFL, NBA, MLB, NHL, top soccer leagues like the Premier League, La Liga, Serie A, Bundesliga, Champions League, and ATP tennis
- No extra work for you as we create, manage and settle markets ourselves
- The sharpest prices thanks to our cutting-edge odds models and a team of traders monitoring all the latest news and action
- Always being updated – we've recently added live ATP Tennis and NBA basketball markets

Pre-match betting

Player Markets currently offers two types of bets: "at least" and "over/under."

Both bet types revolve around predicting the performance of a specific player, such as a player rushing for "at least" a certain number of yards or scoring "over" or "under" a specific number of points in a game.
